

Albrecht Daniel Thaer Kolloquium 2010

"Towards an integrated study of social-ecological systems, interactions, and dynamics: the empirical and conceptual foundations of "fit""

Preliminary Programme for closed workshop – status 15.10.2010

Thursday, 18. November 2010

Chair: Andreas Thiel

Location: Heinrich-Böll-Stiftung, Schumannstr. 8, 10117 Berlin

08:30 Registration

9:30 – 10:30 Welcome and Introduction

Heinrich Böll Stiftung & Konrad Hagedorn

Katharine N. Farrell & Andreas Thiel / *The workshop objectives and themes*

10:30 – 11:00 Coffee Break

(1) 11:00 – 12:30 Imagining the future; human cognition and fit

15 minutes Janne Hukkinen / *Fit in the Body: Cognition as a Source of conceptual Integration between the social and the ecological*

15 minutes Carsten Mann / *Prospective analysis of fit: the Policy Foresight Method*

60 minutes *Paper Specific, Thematic and overall Workshop Kick-off Discussions*

12:30 – 13:30 Lunch

(2) 13:30 – 14:30 Ordering our understanding; the tools for measuring and monitoring Fit 1

15 minutes Katrin Dädlow, Volker Beckmann, Robert Arlinghaus / *Institutional fit intermediating resource user demands and resource characteristics? - Adaptive governance in German recreational fisheries on local and regional scale*

15 minutes Elke Herrfahrdt-Pähle / *Institutional change and transformation of water governance regimes in South Africa: The role of interplay and fit*

30 minutes *Paper Specific and Thematic Discussions*

15:00 - 15:00 Coffee Break

(3) 15:00 – 17:00 Ordering our understanding; the tools for measuring and monitoring Fit 2

- 15 minutes Maja Schlueter, Robert Arlinghaus, Jochen Hinkel und Pieter Bots / *Application of a SES Framework for the Analysis of the Dynamics of coupled SES – Potentials and Limitations*
- 15 minutes Arild Vatn / *The concept of fit: How to distinguish it from scale and interplay*
- 90 minutes *Paper specific and Thematic Discussions & Closing discussion for the first workshop day*

18:00 – 19:30 Key note Lecture and Discussion

Großer Saal – Heinrich Böll Stiftung

Richard B. Norgaard

Safe Landing: Reconfiguring Science and Democracy in the Face of Environmental Complexity

Chair: Dr. Fritz Reusswig
Potsdam Institute for Climate Impact Research (PIK)

Discussants: t.b.d.

Reception hosted by the Heinrich Böll Stiftung

Workshop Dinner

Friday, 19. November 2010

Chair: Katharine N. Farrell

Location: Heinrich-Böll-Stiftung, Schumannstr. 8, 10117 Berlin

(4) 9:00 -10:30 Cases; Bridging the concept of Fit with real world situations

- 15 minutes Rafael Ziegler , Justus Lodemann / *Large and small dams; a co-evolutionary discussion of the Tichy Potok case*
- 15 minutes *Martina Padmanabhan / The social-ecological System of agrobiodiversity. An interdisciplinary Approach to Rice and Gender*
- 15 minutes Juha Hiedanpää / *Emotional regimes in large carnivore policy: Understanding the hardship of volitional institutional change*
- 45 minutes *Paper Specific and Thematic Discussions*

10:30 – 11:00 Coffee Break

(5) 11:00 - 12:30 Cases; Bridging the concept of Fit with real world situations

- 15 minutes Adam ole Mwarabu / *The Nomads and the grass of savanna in dilemma*
- 15 minutes Insa Theesfeld, Christian Schleyer / *How do Germany's agricultural Water Agencies reply to the need of integrated Work within*

2010 Albrecht Daniel Thaer Kolloquium

„Towards an integrated study of social-ecological systems, interactions, and dynamics: the empirical and conceptual foundations of “fit”“

hydrogeological Boundaries required by the Water Framework Directive?

15 minutes Dimitrios Zikos / *And what about the European pastoralist/non-industrial communities? Socio-ecological systems, institutional resilience, adaptive capacity and vulnerability in the Mediterranean*

45 minutes *Paper Specific and Thematic Discussions*

12:30 – 14:00 Lunch

(6) 14:00 - 15:00 Creating the future; using the concept of fit to create a better tomorrow

15 minutes Daniel W. Bromley / *Institutional Innovation as Stochastic Belief Updating: crafting rules to live by*

15 minutes Jan Sendzimir / *Regreening the Sahel through adaptive reconfiguration of institutions and agro-ecosystems*

30 minutes *Paper Specific and Thematic Discussions*

15:00 – 15:30 Coffee break

15:30 – 17:00 Closing discussion and outlook

17:00 informal wrap up reception at the workshop venue
