University of Hohenheim (Agricultural and Food Policy Group, Institute of Agricultural Policy and Agricultural Markets), Stuttgart (Germany)
- 2000–2012 **Assistant Professor, Lecturer, Teaching Assistant**  
Khartoum University (Department of Agricultural Economics, Faculty of Agriculture), Khartoum (Sudan)

## EDUCATION AND TRAINING

- 2010–2015 **Habilitation in Agricultural Economics**  
University of Hohenheim, Stuttgart (Germany)  
Thesis title: Applications, Developments and Future Perspectives of CGE Models for Palestine, Israel, the Sudan, and Nigeria.
- 2005–2009 **PhD in Agricultural Economics** Magna Cum Laude  
Justus Liebig University of Giessen, Giessen (Germany)  
Thesis title: Macro-economy and Agriculture in Sudan: Analysis of Trade Policies, External Shocks, and Economic Bans in a Computable General Equilibrium Approach.
- 1994–2002 **MSc (2 years) in Agricultural Economics and BSc (5 years) in Agricultural Economics** Magna Cum Laude  
Summa Cum Laude  
Khartoum University, Khartoum (Sudan)
- 2002–2004 **MSc (2 years) in Computer Science** Magna Cum Laude  
Alneelain University, Khartoum (Sudan)
- 1994–1999 **BSc (4 years) in Computer Science** Magna Cum Laude  
International University of Africa, Khartoum (Sudan)

## PRIZES AND AWARDS

- | Year | Details and awarding institution   |
|------|--|
| 2016 | Center for Global Trade Analysis Project (GTAP) Fellowship (2016-2019), Purdue University, USA.  |
| 2012 | BIARI Alumni Funding Award. Awarded among six African scientists from the 2011 Climate Change Institute. Watson Institute for International Studies at Brown University, January 2012. Awardee: Brown University, USA. |
| 2011 | Training and Research grant by Brown International Advanced Research Institute BIARI 2011. Awardee: Brown University, USA.   |
| 2009 | Training Research Grant by the Center of Global Trade Analysis, Purdue University, USA. IOT training course participation including travel and lodging grant. Awardee: Purdue University, USA.                         |
| 2009 | Research Internship Grant: World Institute for Development Economic Research (WIDER). United Nations University, Helsinki, Finland. May - August 2009. Awardee: WIDER.   |
| 2008 | Input/output table contributor award (Developing the Sudanese input/output table and contributing it to the global GTAP database), April 2008. Awardee: Center of Global Trade Analysis, Purdue University, USA.       |
| 2008 | Training and Research Grant and Specialized certificate in Development and Structural Transformation, Arab Planning Institute (API), Kuwait, January - February 2008. Awardee: API.                                    |
| 2007 | Training Grant to attend a course on Practical General Equilibrium Modeling. EcoMod Modeling School, Free University of Brussels, Belgium. Awardee: EcoMod.  |
| 2007 | Travel Grant: H. Wilhelm Schaumann Stiftung, Germany.  |
| 2005 | PhD Grant for 4 years (2005-2009) to pursue PhD study in Agricultural Economics at the University of Giessen in Germany. Awardee: the German government through the German Academic Exchange Service (DAAD).           |

Year	Details and awarding institution
2000	Prize of Innovative Research in Agriculture (Youth Level), Al-Zubair Prize for Innovation and Scientific Excellence, 2000 Prize. Awarder: The president of the Republic of Sudan.
1998	Agricultural Bank of Sudan's Award for the best academic performance in the Department of Agricultural Economics of the University of Khartoum (1998). Awarder: The Agricultural Bank of Sudan.
1998	Arab Organization for Agricultural Development's (AOAD) Award for the best academic performance in the Department of Agricultural Economics of the University of Khartoum (1998). Awarder: AOAD.
1996	The University of Khartoum's Award for the best academic performance in the Department of Agricultural Economics of the University of Khartoum (1996). Awarder: The University of Khartoum.
1996	Arab Authority for Investment and Agricultural Development's (AAIAD) Award for the best academic performance in the Department of Agricultural Economics of the University of Khartoum (1996). Awarder: AAIAD.
1995	Arab Organization for Agricultural Development's (AOAD) Award for the student with the best academic performance in the third year of the university study (1995). Awarder: AOAD.
1994	Arab Organization for Agricultural Development's (AOAD) Award for the student with the best academic performance in the second year of the university study (1994). Awarder: AOAD.

## RESEARCH-RELATED SKILLS

---

- Good command of computable general equilibrium modeling and economy-wide modeling in GAMS and Gempack as well as basic knowledge of MPSGE.
- Strong network of researchers, collaborators, and policy makers in several African countries, especially in Sudan, Egypt, Ethiopia, Benin, and Kenya.
- Strong understanding of the African and rural culture as per the experience gained from growing up in rural Africa.
- Conducted training programs on economy wide modeling and economy wide database development in different African countries including Sudan, Egypt Ethiopia, and Benin in addition to Germany and the United states.
- Travelled intensively in rural agriculture areas and communicated with local farmers, household members, and government officials in different countries in Africa including Sudan, Ethiopia, Benin, Kenya, and Uganda.

## LAGUAGES

---

- Arabic (native).
- English.
- German.
